(d) Any equivalent combination of training and experience equal to or greater than that defined in (a), (b) and (c) above.

Tompkins County is committed to equity and inclusion. We encourage those with similar values to apply.

DISTINGUISHING FEATURES OF THE CLASS:

This position is responsible for helping develop plans for community mobility programs and assists in actively managing the County's administration of public transportation grant programs. Working from the context of broadly stated policies and guidelines, the Transportation Planner I assists in creating programs, methods, and policies to address transportation issues in Tompkins County. The incumbent of this position participates in evaluation of community needs and identification of unserved demand for affordable mobility services and works collaboratively with mobility partners to address them.

The incumbent provides a broad range of federal, state, and local administrative oversight of grant recipients, including managing and documenting subrecipients' (public transit and paratransit operators) and contractors' adherence to federal regulations and program guidelines as detailed in a federal review occurring every three years (the Triennial Review). Additional work includes monitoring service quality and service activities, and verifying all required documentation is met to approve drawdowns of federal funds. The incumbent conducts periodic ridership and public surveys to gather data to inform recommendations for changes or adjustments. The position acts as liaison between riders and contractor(s), maintains rider files and compiles reports on ridership and associated data regarding service performance. Working closely with the Chief Transportation Officer, this position works to ensure successful delivery of mobility services from subrecipients, contractors, agencies, and other jurisdictions, and serves as an advocate for collaboration and funding at the regional, state, and federal levels. The incumbent is responsible for providing professional assistance to boards and committees. Work is performed under the general supervision of senior professional staff with allowances for a considerable degree of independent judgment and autonomy in executing assigned tasks. Supervision is not a responsibility of this title. The incumbent will perform all related duties as required.

TYPICAL WORK ACTIVITIES:

- Assists in leading the County's transportation, transit and mobility efforts, including planning for services and implementing policies and procedures and oversight to safeguard the County's standing as the recipient of state and federal funding;
- Assists in providing guidance and support to County leadership and staff, and key partner agencies, such as the Tompkins Consolidated Area Transit (TCAT), in the efficient and effective use of state and federal funding for transportation, transit and other mobility efforts;
- Helps coordinate and provide oversight of the activities of subrecipients (TCAT, Inc. & Gadabout Transportation Services, Inc.) and contractors regarding federal laws, state laws, program regulations, contractual obligations, and administrative requirements;
- Writes reports and maintains documentation regarding procurements, contract administration, fiscal management and other areas outlined by FTA as part of subrecipient oversight in Triennial Review;
- Recommends improvements to the compliance program to improve effectiveness & efficiency;
- Helps identify and administer grant-making and grant-seeking activities to support County transportation planning-related goals and policies;
- Reviews draft laws, policy proposals, regulations, and funding opportunities from New York State, as well as federal and local governments and provides expert guidance and support to the County and wider community regarding transportation-related implications from those proposals;
- Develops recommendations regarding proposed policies, plans and projects;
- Provides professional support to advisory boards and committees;
- Assists with making formal and informal presentations to inform and advise citizen advisory boards, legislative bodies, and public officials on planning projects;
- Conducts complex analytical reports and planning studies related to transportation issues;
- Uses geographic information systems to prepare maps and statistics to illustrate planning concepts and perform analysis of data or directs others in preparing such information;
- Participates in studies with other groups in the county, providing data and other resources as appropriate;
- Assists in directing the work activities and program accomplishments of interns, department support staff, and consultants as assigned;
- Attends external training programs as needed;
- Helps oversee compliance with paratransit and supplemental programs;
- Helps oversee compliance with Title VI Civil Rights, Disadvantaged Business Enterprise, and Americans with Disabilities Act requirements;
- Ensures application processes, documents, assessments are complete and timely;
- Conducts and documents monthly meetings to ensure a shared understanding of key issues is achieved between Tompkins County and the subrecipient and contractors;
- Receives and archives monthly operation, service, and maintenance reports;
- Helps maintain updates for all transit related manuals and policies and procedures to maintain FTA and NYSDOT compliance;
- Provides regular training (at least annually) to relevant county, subrecipient and transit partner staff on policy and procedure updates;
- Performs and documents on-site visits to subrecipients and third-party contractor;
- Reviews and evaluates overall performance of subrecipients and third-party contractors in the implementation of projects to ensure that they are achieving the performance goals of the grant;
- Assists in addressing all Triennial reviews by FTA, audits by NYSDOT, and/or an outside Auditors, as assigned;
- Assists in coordinating agreements, contracts and amendments between Tompkins County, subrecipients, third-party contractors, local jurisdictions or consultants for projects and project development activities;
- Assists in the coordination of special projects, such as: short and long-term planning projects;
- Provides excellent client and departmental service to all customers both internally and externally;
- Works with mobility management contractors in implementation of their programs;
- Works with human service agencies and transportation providers to develop programs to address transportation related barriers to social determinants of health;
- Develops methods for integrating housing and transportation planning and development;
- Performs other duties as assigned.

KNOWLEDGE, SKILLS, ABILITIES AND PERSONAL CHARACTERISTICS:

- Ability to demonstrate initiative as a self-starter exercising high autonomy and independent as well as critical thinking in order to provide informed recommendations for advancing County transportation goals;
- Good project management skills with good organizational abilities and attention to detail;
- Strong knowledge of principles, concepts, trends, regulations, current best practices and innovative solutions related to transportation planning, transit and mobility management;
- Good written and verbal communication skills to work effectively with department staff, committee chairs, technical consultants, partner agencies, and elected officials;
- Ability to build good working relationships with others, particularly with state and federal grant subrecipients and within County departments, to coordinate efforts and move actions forward;
- Good computer skills that at a minimum include presentation software, Microsoft Excel, PowerPoint and Word, and ability to learn new software as needed;
- Good research skills, data collection and analysis skills, and creative problem-solving skills;
- Experience and a working understanding of the effective methods of moving people from origins to destinations in the most effective, efficient and sustainable way;
- Good knowledge of public transportation services in Tompkins County;
- Good knowledge of applicable New York State Vehicle and Traffic Law, Transportation Law, and training;
- Candidate must possess and display tact, integrity, excellent moral character, good judgment, resourcefulness;
- Ability to perform all the physical, intellectual, and analytical requirements of the position including decision making.
- Adept at implementing and achieving solutions that are driven by data and lead to measurable outcomes;
- Good knowledge of current research methods and techniques for collecting, analyzing, and interpreting data and preparing clear and meaningful reports;
- Working knowledge of governmental decision-making processes;
- Ability to work on several projects or issues simultaneously;
- Ability to work independently or in a team environment, as needed;
- Ability to manage capital program, departmental, and grant resources on a project or programmatic basis;
- Ability to travel, as required to fulfill the demands of the position amongst Tompkins County facilities;
- The employee's physical and mental condition shall be commensurate with the demands of the position, either with or without reasonable accommodations.

PHYSICAL, MENTAL AND ENVIRONMENTAL DEMANDS:

The employee must be able to sit for extended periods of time within a standard eight-hour work day. Other types of physical effort are minimal with the exception of the occasional requirement to lift boxes of office supplies and paper goods up to twenty pounds. The incumbent's visual acuity must be sufficient to enable him or her to see and accurately work with information on a computer screen. The employee's hearing must be sufficiently acute to enable him or her to hear, understand and carry out verbal instructions. The employee must have the physical ability to manipulate a computer keyboard and other types of office equipment. These fine motor skills include adequate hand/eye coordination and the full use of fingers, hands and arms to perform the essential functions of this job. Environmental factors include the ability to work closely and cooperatively in close physical proximity with others. He or she may occasionally be required to work alone. Almost all work is performed indoors in a temperature-controlled environment, so excessive heat, cold, humidity, noise, etc., are not factors that are significant to this job. There may be minimal exposure to disagreeable conditions. The employee may at times be asked to drive to get to other County facilities, or otherwise demonstrate the ability to meet the limited transportation requirements of this job. If an individual has limitations, the employee has the right to request reasonable accommodations in accordance with the ADA and as amended.
