DISTINGUISHING FEATURES OF THE CLASS:

The Assistant Psychiatric Social Worker role is to provide support and engagement for initial diagnostic assessments, individualized person-centered treatment planning, individual, family and/or group psychotherapy and/or other therapeutic interventions, crisis intervention, complex care coordination, and referrals for other services as appropriate. The Assistant Psychiatric Social Worker supports licensed therapy staff in engaging and prioritizing clients. Many of these individuals are at high risk in various life domains, including interpersonal, intra-psychic, family dynamics, employment, housing, legal, emotional stability, daily living skills, coping skills, and many other types of functional deficits. Awareness of and full participation and cooperation with the Department and County Corporate Compliance programs is an expected responsibility of the incumbent in this position. The work is performed under the general supervision of the Clinic Supervisor and within the incumbent's scope of practice as outlined by the New York State Education Department. The incumbent will perform all related duties as required.

TYPICAL WORK ACTIVITIES MAY INCLUDE:

- Assists with initial diagnostic assessments on individuals requesting mental health services to determine medical necessity for treatment, including assessment of mental illness, identification of symptoms that interfere with the individual's ability to function adequately in their daily life, and identification of problem areas that will lead to person centered treatment planning;
- Engages clients needing psychotherapy and/or other clinical interventions to adults, children, couples, families, and groups, many of whom are high risk clients;
- Assists with crisis intervention services both in person and by telephone, coordinates the provision of emergency services as needed and refers clients to appropriate agencies for ongoing services;
- Assists with crisis intervention services in community settings or homes as required by the needs of the clients and the Department;
- Receives and responds to telephone referrals from human service agencies, law enforcement agencies, County Departments, and other community agencies or individuals who are experiencing crisis situations that may require immediate intervention;
- Coordinates services and treatment plans with other agency professionals for clients who are connected with, or have need of the services of, those other agencies;
- Is responsible for understanding and adherence to both the Department and the County Corporate Compliance programs. Corporate Compliance refers to the adherence to all Federal, State, and local laws that pertain to the work performed;
- Arranges transportation to hospital for clients requiring hospitalization or psychiatric evaluation;
- Participates in regularly scheduled group supervision and intake meetings, providing peer consultation to the other professionals involved;
- Participates in multidisciplinary Departmental or Community team meetings to assist with the formulation of a community care plan for individuals who present with a mental illness and other complex human service needs;
- Provides consultation to professionals, paraprofessionals, community agencies, law enforcement officials, volunteers, and others who have questions regarding mental health symptoms, treatment options, and/or other issues;
- Completes all required documentation in a timely manner in accordance with department policy, regulation and law.
