MINIMUM QUALIFICATIONS:

Possession of a Master's degree in Library Science (MLS)) or a Master's of Science in Information Science (MSIS) from a library school that is accredited by the American Library Association or recognized by the New York State Education Department, and four years of full-time paid (or the equivalent part-time and/or volunteer) professional library experience in a library of recognized standing.

Tompkins County is Committed to Equity and Inclusion. We encourage those with similar values to apply.

(Some universities have renamed their programs and no longer designate the degree as a Masters in Librarianship or even MLS. Contact the New York State Library's Division of Library Development for assistance.)

DISTINGUISHING FEATURES OF THE CLASS

The work involves performance of professional librarian duties in an assigned unit. Incumbents select material and plan programs of service to meet the needs of the patrons. Duties may involve planning, directing, supervising a specialized unit, such as the health information, audio visual services, business services, or outreach services. General supervision is received from a higher-level librarian or assistant director. Supervision is exercised over the work of the professional, paraprofessional, clerical and volunteer staff. The incumbent will perform all related duties as required.
