Department: Various School Districts Throughout Tompkins County

Classification: Non-competitive for school districts only.

Approved: 12/01/73

Revised: 6/83; 5/88; 10/04; 8/15

By: HH, Commissioner of Personnel

MINIMUM QUALIFICATIONS:

Graduation from a regionally accredited and New York State Education Department approved nursing program or school which would qualify an individual to become licensed to serve as a Registered Professional Nurse in New York State.

SPECIAL REQUIREMENT:

Possession of a New York State license and current registration to practice as a Registered Professional Nurse in New York is required at the time of application. You must submit your license and registration along with your application in order to be considered.

Tompkins County is committed to Equity and Inclusion. We encourage those with similar values to apply.

DISTINGUISHING FEATURES OF THE CLASS:

This is a professional nursing position with responsibility for giving care to students and for performing related nursing services, such as pupil health screening and notification of defects and communicable disease control, requiring judgment and skills. This position differs from the certified position of School Nurse-Teacher in that there is no responsibility for either classroom instruction or guidance involved. The work is performed under the general direction of a school physician, school nurse-teacher, or an administrator. Supervision may be exercised over the work of clerical assistants and other subordinate staff. The incumbent will perform all related duties as required.

TYPICAL WORK ACTIVITIES:

- Assists the School Physician in physical, visual and auditory screening examinations of students and employees;
- Administers first aid and emergency treatment to students and employees;
- Prepares and maintains health records for school authorities;
- Assists at school immunization clinics;
- Arranges to transport sick or injured students or employees to hospital, home, doctor's or dentist's office in cases of emergency;
- Inspects the school plant, playground and cafeteria and reports on general safety and sanitary conditions;
- Orders, inventories and oversees the storage of first aid and related health supplies and equipment;
- Consults with attendance teachers, staff members and school nurse-teachers concerning a variety of health factors Related to non-attendance and communicable disease;
- Prepares records and reports as required.

KNOWLEDGE, SKILLS, ABILITIES AND PERSONAL CHARACTERISTICS:

- Good knowledge of nursing principles and techniques and their relation to medical practices and skill in their application;
- Working knowledge of materia-medica, dietetics, sanitation and personal hygiene;
- Skill in the application of nursing techniques and practices;
- Ability to understand and follow technical, oral and written instructions;
- Ability to keep records and make reports;
- Ability to get along well with students, teachers, parents and others;
- Ability to carry out successfully the measures prescribed;

- Ability to plan and supervise the work of sub-professional and non-technical personnel;
- Good observation skills;
- Mental alertness;
- Firmness;
- Initiative;
- Cheerfulness;
- Patience;
- Emotional stability;
- Sympathetic attitude toward the sick;
- Good moral character;
- The employee's physical and mental condition shall be commensurate with the demands of the position, either with or without reasonable accommodations.
