Tompkins County is Committed to Equity and Inclusion. We encourage those with similar values to apply.

SPECIAL REQUIREMENT:

The candidate must possess a valid New York State driver's license at the time of appointment and maintain such license for the duration of employment.

DISTINGUISHING FEATURES OF THE CLASS:

This position involves responsibility for assisting in the development and updating of the Public Health Emergency Preparedness Plan and developing related jurisdictional programs. This employee is responsible for assessing, developing and implementing emergency preparedness plans, infectious disease control and public health education needs. The incumbent may have frequent contact with law enforcement, fire and emergency service providers, medical providers, colleges and universities, veterinarians, pharmacists as well as other community-based organizations. Coordination with the agency's division managers is essential. Under the general direction of the Deputy Public Health Director, the incumbent may direct the activities of Whole Health Department staff in the event of an actual public health emergency. Considerable autonomy and independent judgment is exercised in the performance of these duties. The incumbent may serve as a lead worker over given groups, projects or activities or may supervise assigned personnel as directed by the Deputy Public Health Director. The work is performed under the general direction of the Deputy Public Health Director. The incumbent will perform all related duties as required.

TYPICAL WORK ACTIVITIES:

Assists the Deputy Public Health Director in the development and on-going maintenance of the Public Health Emergency Preparedness Plan;
Establishes common planning framework to build and enhance preparedness implemented through interdisciplinary and multi-jurisdictional approaches that an incident of local state or national significance would demand;
Develops a variety of plans and reports to meet emergency preparedness objectives;
Develops plans for large scale Points of Dispensing or stockpiled supplies, medications, etc.;
Designs and participates in Public Health Emergency Preparedness planning exercises to test the efficiency of the Public Health Emergency Preparedness Plan;
Collects, tabulates and analyzes data for use in meeting New York State Department of Health grant deliverables;
Coordinates grant and county-funded activities with other departments and agencies by participating in meetings with department and agency heads to discuss and evaluate county needs;
Serves as a resource to department staff and local community organizations regarding public health emergency preparedness;
Conducts educational programs and training sessions regarding public health and emergency preparedness procedures for a variety of audiences including schools, community service professionals, and agencies in the community;
Writes public health press releases and articles for submission to the local media;
Serves as a public health representative on various committees;
Attends training from the New York State Department of Health as required;
Reports orally and in writing to the Public Health Director.

KNOWLEDGE, SKILLS, ABILITIES AND PERSONAL CHARACTERISTICS:

Good knowledge of the modern principles and practices of public health;
Good knowledge of Federal, State and local laws, codes, rules and regulations that relate to public health issues;
Good knowledge of public information and public relations techniques;
Good knowledge of community organizations and service providers related to public health;
Working knowledge of the principles and practices of educating and interacting with the public;
Ability to deal effectively with the public;
Ability to communicate effectively both orally and in writing;
Ability to participate in assigned projects and lay out work for others;
Ability to analyze and organize data and prepare records and reports;
Ability to understand, interpret and carry to fruition complex oral and/or written instructions;
The employee's physical condition shall be commensurate with the demands of the position.

Originally Created 90/03/03 as Bioterrorism Preparedness Coordinator. Converted to Public Health Preparedness Coordinator 08/23/2012.
